Subject: Emissions data for docket

Sara- As you likely recall, we added emissions data to the docket for the original proposed WY RH rule. This email is a placeholder to remind me to see if we need to update that information. ECR/Andover may have pulled even more recent emissions data for their final analysis. I've flagged this message for me to follow up next week.

What is wanted is not the will to believe, but the wish to find out, which is the exact opposite. -Bertrand Russell

An ideologue may be defined as a mad intellectual. He is not interested in ideas, but almost the exact contrary - in one idea. - Clifton Fadiman
